22 **MOTION FOR REQUEST TO EXTEND DEADLINE**

23 Plaintiff, ALI SHAHROKHI, in proper person, hereby submits his
24 Motion for Fourteen (14) Day Extension of Time to File Responses to
25 Defendants' Motions to Dismiss [ECF. 15]; [ECF. 18]; and [ECF. 28]. This is
26 the First Request for such extension of time.
27
28

1 (1) As outlined below, good cause exists to grant the requested extension
2 (the motion is not being made for improper purposes and/or being made for
3 purposes of unreasonable delay).

4 (2) A serious personal family matter has impacted my response time.
5 Approximately, a week prior to Defendant Standish and Spradling's Motion
6 to Dismiss [ECF. 15] being filed, my sister in California died. I have been
7 travelling back and forth handling her affairs.

8 (3) Additionally, I was served with three Motions To Dismiss within a
9 week of my sister's death and all require concurrent responses.

10 (4) This case is very important to me and as a pro se litigant, the topics are
11 complex and requires a lot of independent research on my part.

12 (5) The issues presented in the Motions to Dismiss are numerous and I
13 respectfully ask this Court for an additional Fourteen (14) days so that I may
14 respond properly.

15 (6) This case is complex and requires me, as a pro se litigant, to perform
16 quite a bit of independent research.

17 Accordingly, a short fourteen day extension of time to file responses to
18 [ECF. 15]; [ECF. 18]; and [ECF. 28] is being requested.

19 **IT IS SO ORDERED.**
